Summertime Garden Club
June 4 to August 31
Tuesdays & Thursdays 6:30-8:30 PM
Saturdays 10:00 AM to noon

Our summer volunteer program maintains all the garden beds planted by WPA since 2008. Work alongside your neighbors over the summer to care for the beds. Activities include weeding, watering, pruning, and mulching. We'll provide garden tools, gloves, soil, and mulch, and train all volunteers in the various tasks. Meeting places are:
Tuesdays- the park in front of the dog run on Palisade Avenue
Thursdays- the park next to the chess tables on Paterson Plank Road
Saturdays- the green gazebos bordered by Paterson Plank, Webster and North Rds

Check our Facebook page for the latest news on the Garden Club's location and weather cancellations.

A big thank you to our volunteers! Our gardens look great thanks to them. Come join them. No long-term commitment is required.

About Us
Washington Park Association of Hudson County, Inc. was founded in 2008 by a group of residents in the Washington Park area. The goal was to create opportunities for positive change in the park which in turn would improve the surrounding neighborhoods and create a stronger sense of place for area residents. The WPA is a volunteer run and operated 501(c)(3) nonprofit managed by dedicated Hudson County residents. If you have an interest in volunteering or being on the Board of Trustees we are always searching for other like-minded community leaders.

Our success depends on sweat, as well as money. Please consider making a donation to WPA. 100% of your donation supports programming in the Park.
